Dear Harold, July 18, 1995

Boy, that was some fan mail you received recently (which you enclosed with your last letter). I especially got a kick out of the letter from that chap from England in which he recounts his experience with the "conspiracy community" in Dallas — that "... it was like meeting a bunch of school children, ..." It is too bad more of an effort is not being made to sell Never Again! I did see it down here finally, in a bookstore in Columbia, S.C. But it was on the bottom shelf and, as you have pointed out to Gallen, just seeing the title, Never Again! on the spine

gives no clue to its contents or its significance.

I am currently in the process of typing up a first draft of our paper for the conference. It will be roughly 25-30 pages (possibly more depending on what Dennis adds to it) with 65-70 footnotes and about fifteen pages of documents as an appendix. I was able to incorporate a good cross-section of references, including several to Never Again! I will be sending it along to Dennis in a couple days so that he can put it in finished form and make whatever changes or additions he feels would be necessary.

I had hoped to be able to send you a copy for comments, but since there is barely a month before we have to present it in Washington, we will bring a

copy of the finished product, which you may want to still comment on. If we feel it is good enough, we may use it to try to entice a publisher into a book-length version of it. For that, your assistance would be especially appreciated.

I would be happy to do what I can to support a proposal for the Nobel committee. Dave would be a key given his publications, but I am sure I could contribute in some way.

We will be on vacation in Houston TX and the Mississippi Gulf Coast during the first two weeks in August,

When we come back I will be getting ready for the conference. Our presentation is scheduled for Friday morning Aug. 18. I plan to stay in Washington from the 17th thru the 19th. Dennis will be accompanied by his wife Nancy who plans to spend time in the museums. I believe we will all travel out to Frederick ~~and either~~ probably late on Sat. 19th and then get together with you and Lillian on Sunday 20th. I will write before the trip with any changes, but I am fairly certain this will be our schedule.

Take care. Regards to Lillian.

Best Wishes,
Gerry
